GUIDANCE FOR PREPARING WORKPLACES FOR COVID-19

IN PARTNERSHIP WITH:

Dignity Health.
California Hospital
Medical Center

DR. SUMAN RADHAKRISHNA

HOW COVID AFFECTS COMMERCE

- ABSENTEEISM - BOTH THE INFECTED AND QUARANTINING INDIVIDUALS, CARE FOR CHILDREN DUE TO SCHOOL SUT DOWN, CARE FOR INFECTED FAMILY, FEAR OF CONTRACTING DUE TO UNDERLYING MEDICAL ISSUES
- CHANGE IN PATTERN OF COMMERCE - DEMAND FOR SAFETY FOR CLIENTS, ONLINE SALES, ONLINE MEETINGS, HOME DELIVERY, CHANGE IN CONSUMER DEMAND (MORE TOILET PAPER, PPE, ETC.)
- INTERRUPTED SUPPLY/DEMAND DUE TO GLOBAL PANDEMIC AFFECTS INTERNATIONAL TRADE AND GOODS MOVEMENT

DR. SUMAN RADHAKRISHNA

COVID-19

- SYMPTOMS OCCUR FROM 2-14 DAYS AFTER EXPOSURE HENCE QUARANTINE PERIOD AFTER EXPOSURE IS 14 DAYS
- INFECTED INDIVIDUALS ARE QUARANTINED FOR 72 HOURS AFTER SYMPTOMS RESOLVE OR UP TO 10 DAYS FROM ONSET OF SYMPTOMS

DR. SUMAN RADHAKRISHNA

COVID-19 COMMON SYMPTOMS

- FEVER,
- BODY ACHES, FATIGUE
- COUGH, SHORTNESS OF BREATH,
- ABDOMINAL PAIN, DIARRHEA

DR. SUMAN RADHAKRISHNA

COVID-19

- INFECTION IS SPREAD BY COUGH/SNEEZING/SINGING
  - DROPLETS CAN DISSEMINATE UP TO 6 FEET
  - AEROSOL TRANSMISSION IS LOWER THAN DROPLET TRANSMISSION
  - TOUCHING COMMON OBJECTS IS LESS LIKELY MODE OF TRANSMISSION IF INDIVIDUALS AVOID TOUCHING THEIR FACE/NOSE/MOUTH
- PRESYMPTOMATIC INDIVIDUALS (48 HOURS BEFORE ONSET OF SYMPTOMS) AND SYMPTOMATIC INDIVIDUALS ARE MORE LIKELY TO TRANSMIT INFECTION THAN ASYMPTOMATIC INDIVIDUALS

EXPOSURE RISK

- LOW EXPOSURE RISK – WEARING MASK, 6 FEET DISTANCING FROM OTHER INDIVIDUALS AT ALL TIMES
  - WORK FROM HOME, SEPARATE ROOMS AT THE OFFICE
- MEDIUM EXPOSURE RISK - CONTACT WITH OTHER EMPLOYEES WITHIN 6 FEET FOR MORE THAN 15 MINS.
  - MOST WORKPLACES/SCHOOLS
- HIGH EXPOSURE RISK - CONTACT WITH INFECTED SYMPTOMATIC INDIVIDUALS WITHIN 6 FEET FOR MORE THAN 15 MINS.
  - HOSPITALS, HEALTHCARE SETTINGS (HOME HEALTH, SKILLED NURSING FACILITY, EMT), MORTUARY

STEPS TO REDUCE WORKPLACE RISK

- DEVELOP AN INFECTIOUS DISEASE PREPAREDNESS AND RESPONSE PLAN –
  - FOLLOW FEDERAL/STATE/LOCAL GUIDELINES AND CHANGE BASED ON THEIR RECOMMENDATIONS
  - ABSENTEEISM
  - CONTINGENCY PLANS FOR TOTAL SHUT DOW
  - PLANS FOR STAGGERED WORKSHIFTS, CROSS TRAINING OF WORKERS
  - VENTILLATION/SPACE MANAGEMENT WITH PLASTIC SEPARATORS, DRIVE THROUGH WINDOW, AIR EXCHANGE RATE

PREPARE TO IMPLEMENT BASIC IP MEASURES

- ENCOURAGE EMPLOYEES TO STAY AT HOME WHEN ILL
- RESPIRATORY ETIQUETTE AND HAND SANITIZATION
- DISCOURAGE WORKERS FROM USING CO-WORKERS PHONES/DESKS/EQUIPMENT WITHOUT SANITIZATION
- PROVIDE MASKS, HAND SANITIZER TO CUSTOMERS
- EPA-APPROVED CLEANING SUPPLIES
- LIMIT WORK-RELATED TRAVEL WHEN FEASIBLE AND USE TECHNOLOGY – ZOOM, WEBEX, ETC.

DR. SUMAN RADHAKRISHNA

DEVELOP, IMPLEMENT AND COMMUNICATE ABOUT WORKPLACE PROTECTIONS AND FLEXIBILITIES

- WHEN WORKERS FEEL SAFE ABSENTEEISM DROPS
- EMPLOYEES WILL USE SICK LEAVE POLICIES JUDICIOUSLY WHEN INFORMED OF THE PROCEDURE
- FLEXIBILITY FOR CARE OF CHILDREN, SICK FAMILY MEMBERS WHILE WORKING REMOTELY HELPS WITH RETENTION OF EMPLOYEES AND BOOSTS MORALE.
- DO NOT REQUIRE A RETURN TO WORK NOTE FROM HEALTH CARE PROVIDER SINCE THIS MAY DELAY RETURN TO WORK

PERSONAL EXPERIENCE WITH WORKPLACE MODIFICATION

IN PARTNERSHIP WITH:

Dignity Health.
California Hospital
Medical Center

DR. SUMAN RADHAKRISHNA

COVID VS. US

- SEVERAL CHANGES IMPLEMENTED DURING THIS EPIDEMIC ARE HERE TO STAY
- CHALLENGING, UNCERTAIN AND BY THE SAME TOKEN OPEN FOR INNOVATION AND IMPROVEMENT
- UP TO EVERY INDIVIDUAL TO MAKE A DIFFERENCE
- ERADICATION OF COVID

DR. SUMAN RADHAKRISHNA

LOS ANGELES
LATINO CHAMBER OF COMMERCE

INTRODUCTION

IN PARTNERSHIP WITH:

Dignity Health.
California Hospital
Medical Center

ABBY USAYUWEVU, BSN RN CIC
MANAGER OF INFECTION CONTROL

HAND HYGIENE

- HAVE ALCOHOL GEL DISPENSERS AVAILABLE FOR EMPLOYEES/VISITORS
- GOOD OLD FASHIONED SOAP AND WATER WORKS
- AVOID TOUCHING ITEMS AND THEN TOUCHING FACE, EYES, NOSE, ETC.

WEAR MASKS/FACIAL COVERINGS

- FACIALCOVERINGS OR MASKS WORK AS SPLASH GUARDS TO CONTROL THE SOURCE OF POTENTIAL GERM TRANSMISSION IF SOMEONE SPRAYS WHILE TALKING/ SNEEZING/COUGHING
- NOSE AND MOUTH MUST BE COMPLETELY COVERED NOT UNDER THE NOSE OR UNDER THE CHIN
- NO SPECIFIC TYPE OF MATERIAL OR CONSTRUCTION REQUIRED IN A BUSINESS/OFFICE SETTING
    - N-95 MASKS ARE NOT REQUIRED FOR A BUSINESS/OFFICESETTING
- THESE ARE MANDATORY WHEN SOCIAL DISTANCING CANNOT BE ACHIEVED; SUGGESTED WHEN SOCIAL DISTANCING CAN BE ACHIEVED

SOCIAL DISTANCING

- STAY 6’ OR MORE AWAY FROM OTHERS
  - THIS IS THE DISTANCE DROPLETS CAN TRAVEL WHEN SOMEONE SNEEZES/COUGHS
- WEAR MASKS IF MOVING BETWEEN AREAS, THROUGH HALLWAYS, IN ELEVATORS, IN A SPACE WHERE 6’ CANNOT BE MAINTAINED, ETC.

EMPLOYEE HEALTH

- SCREEN EMPLOYEES UPON ENTRANCE TO WORK
  - SEND THEM HOME IMMEDIATELY IF FEVER OR OTHER SIGNS/SYMPTOMS OF COVID PRESENT
- ENCOURAGE EMPLOYEES TO STAY HOME WHEN NOT FEELING WELL
- DISCOURAGE EMPLOYEES FROM SHARING EQUIPMENT WITHOUT DISINFECTING/WIPING DOWN IN BETWEEN USE
- LIMIT WORK-RELATED TRAVEL, UTILIZE TECHNOLOGY WHEN POSSIBLE – ZOOM, WEBEX,
- ALLOW FLEXIBILITY WITH SCHEDULING

ABBY USAYUWEVU, BSN RN CIC

BREAKS/BREAKROOMS

- A PRIMARY LOCATION FOR NON-COMPLIANCE WITH MASKING/SOCIAL DISTANCING
- ENCOURAGE MASK USE WHILE IN BREAKROOMS UNLESS EATING/DRINKING
- PLACE SIGNAGE TO LIMIT NO. OF PEOPLE IN THE BREAKROOM AND/OR REMOVE CHAIRS
- STAGGER BREAKS/ALLOW TO EAT AT DESK
- ▫ OFFICIAL BREAKS AND MEAL PERIODS ARE STILL REQUIRED BY LAW
- DISCOURAGE SHARING FOOD, PLATES, UTENSILS, ETC.

CLEANING

- USE EPA-REGISTERED DISINFECTANT WITH A CLAIM AGAINST CORONAVIRUS (OR COVID-19)
- BLEACH IS NOT NECESSARY. GENERALLY TOO STRONG – HARD ON EQUIPMENT
- SOAP AND WATER AND HEAT FROM A DISHWASHER CYCLE ARE SUFFICIENT TO KILL COVID-19
- LAUNDRY DETERGENT, WASHING MACHINE AND DRYER SUFFICIENT TO KILL COVID-19 FROM LAUNDRY

MISCELLANEOUS

- BE GENTLE, KIND, AND RESPECTFUL
- THEREARE A VARIETY OF RESPONSES TO THIS PANDEMIC THAT WILL BE EXHIBITED BY EMPLOYEES
  - THIS PANDEMIC HAS BROUGHT OUT THE BEST AND THE WORST IN PEOPLE
- STICK WITH THE SCIENCE – REFER TO CDC WHEN POSSIBLE
  - OFFENSE IS THE BEST DEFENSE – PRINT OUT HANDOUTS FOR STAFF TO RELIEVE THEIR FEARS

BE SAFE.

STAY HEALTHY.

WASH YOUR HANDS.

WEAR A MASK.

STAY AT LEAST 6 FEET APART.

BE KIND.

THANK YOU!!!

ABBY USAYUWEVU, BSN RN CIC
