REQUEST FOR PROPOSAL

Project: Regional Connector Transit Corridor
Owner: LACMTA Metro (C0980)
RFPs: 079RC Cut and Cover Electrical
Bids Due: Friday, May 25, 2018 by 2:00 p.m.

Regional Connector Constructors JV is soliciting in good faith all interested subcontractors as well as certified DBE companies for **Cut and Cover Electrical**.

Link to RFP Documents: <https://skanskausa.sharefile.com/i/i4b4f3d4575a48fe8>

Link to prime contract documents: <https://skanskausa.sharefile.com/i/icef524127614eef8>

All relevant RFP documents, project information and drawings can be found in the documents linked above. Plans & Specs are available for viewing at our office 8am to 4pm, Monday through Friday, (call for appointment first) at 444 S. Flower St, Los Angeles, CA or downloaded for free using the links above.

Please return your bid to Brandon Quinlan via email at Brandon.Quinlan@skanska.com. Contact Nicole Holliday with questions or Request for Clarifications.

This project has a 18% Race-Conscious DBE participation goal for construction. All DBE firms must be certified by the bid/proposal due date. Should you have any questions regarding Metro's certification process, contact Metro's certification Hotline at (213) 922-2600. If your firm qualifies you can apply for DBE and SBE certification through Metro online at: <https://metro.gob2g.com/>

RCC JV intends to conduct itself in good faith with all interested subcontractors as well as certified DBE firms looking for contracting opportunities on this project. Subcontractor may be requested to furnish a bond, if required RCCJV will pay bond premium up to 1%. Assistance in bonding, insurance, lines of credit or obtaining equipment, supplies and materials is available upon request.

RCC JV is an EEO/AA/Vet/Disability Employer, and as a matter of policy, encourages the participation of Small Business Enterprises.

On behalf of the Regional Connector Constructors, thank you for your interest in the project.

Nicole Holliday

About the Project

The Regional Connector Transit Corridor will serve as a connection to the Metro Blue Line and Expo Lines from Long Beach and Santa Monica. The light rail will have three underground stations located at Second and Hope Street, Second and Broadway and Central and First Street.

Project Type: Transit
Start: July 2014
Completion: 2020

More information on the project can be found at www.teamrcc.com.
